

Good Evening Everyone.

we will start session at sharp

9:10

Agenda:-

- Rules of CSS
- ways to add CSS
- CSS selectors.
- properties of CSS (colors, background color, font-size).

⇒ CSS

Cascade style sheet

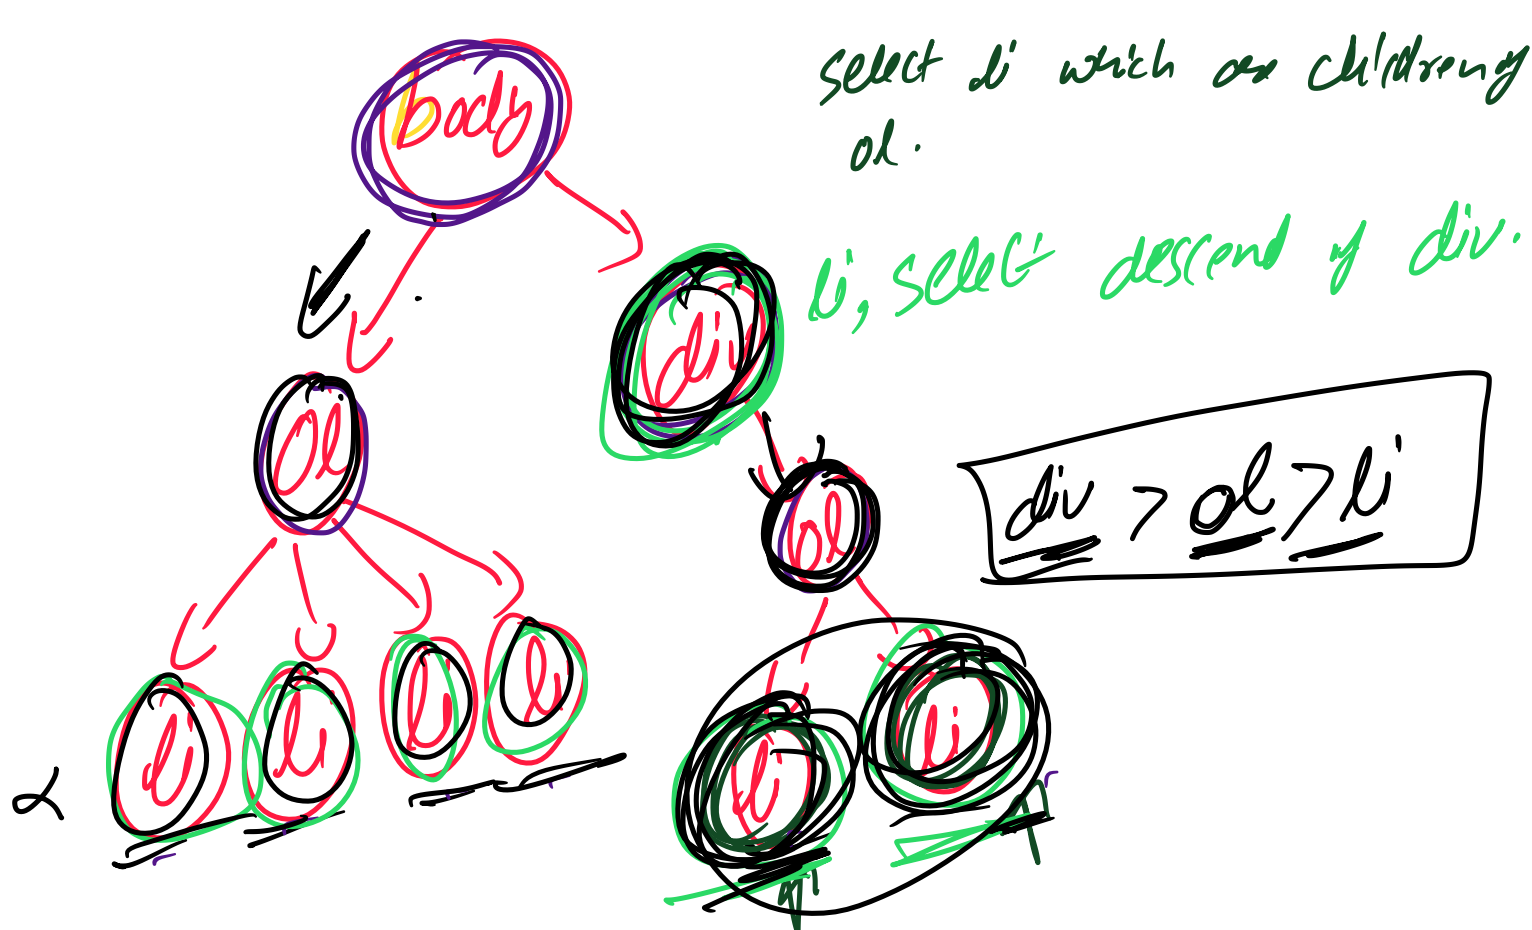

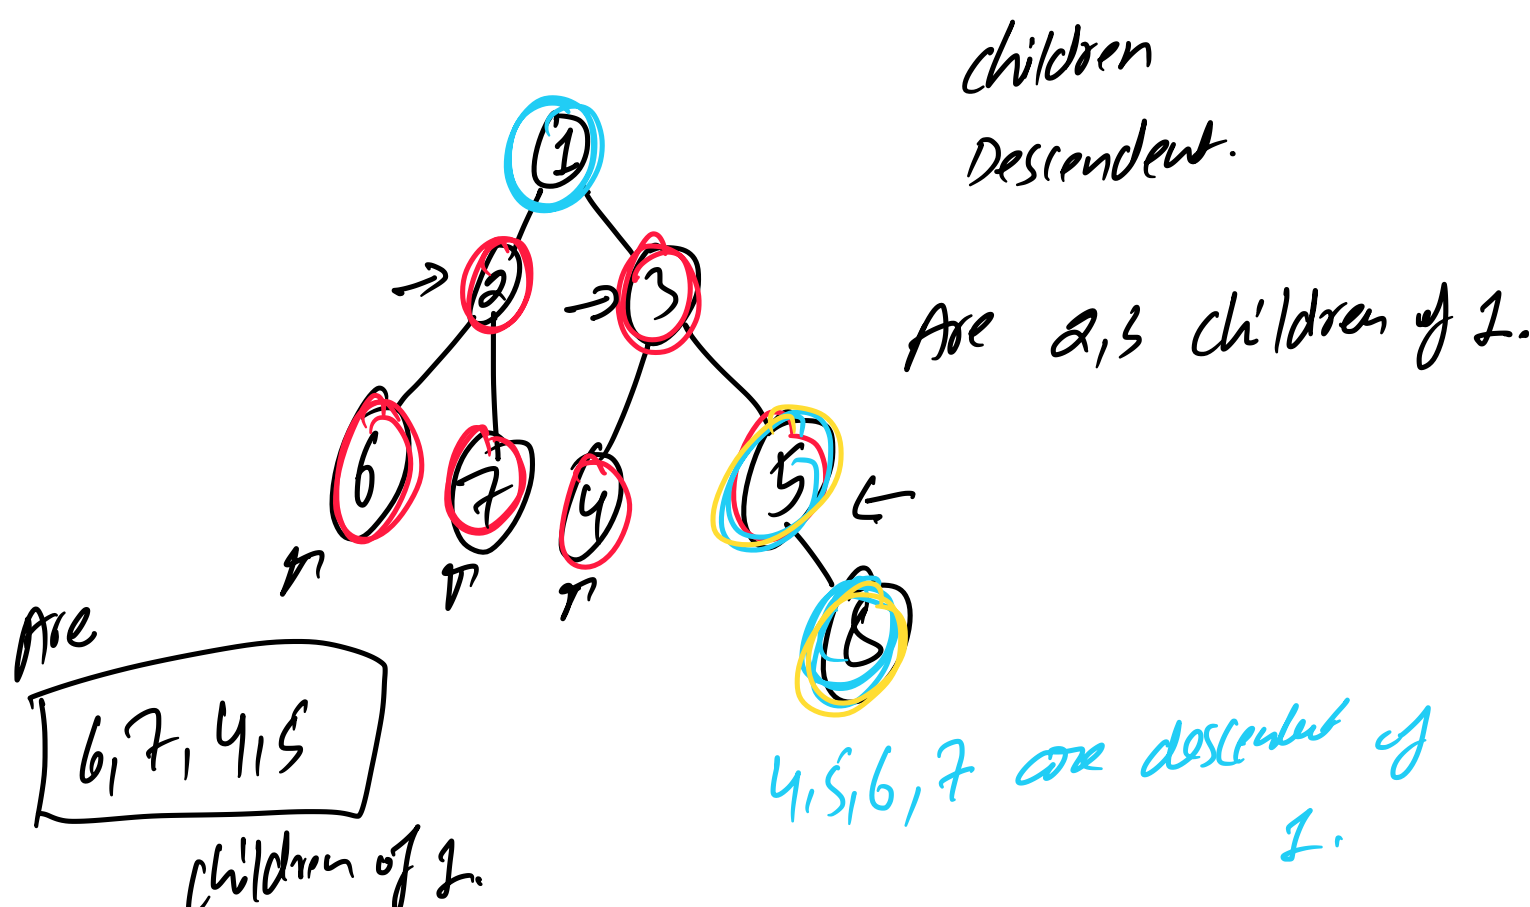

Precedence :- Internal and External CSS depends on Cascade.

Inline > Internal, External.

class:- group of similar things.

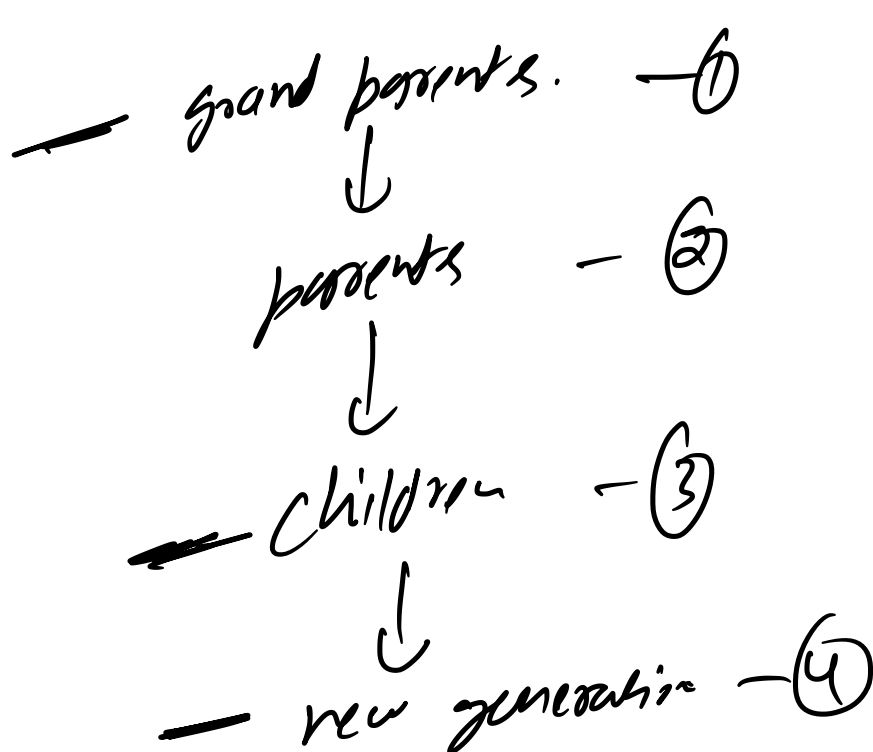

id:- to uniquely identify.

id > class > normal element.

div li → select li which are descendant of div.

div > li → select li which are children of div.

All children are also descendant.
